Disclaimer

All data has been prepared on the basis of information supplied to Nuclear Waste Services Limited by the waste producers. Although great care has been taken to ensure the accuracy and completeness of the data, the Crown and Nuclear Waste Services Limited cannot assume any responsibility for consequences that may arise from its use by other parties.

Waste volume data within this report is shown to three significant figures. All exported data will become invalid if/when used out of context with the original search-term request.

Further information about the UK Radioactive Waste & Materials Inventory can be found on http://inventory.nuclearwasteservices.uk
